Program for JRDB - CIG Cooperation in  
the Field of Scientific Intelligence

1. In recognition of the importance to national security of adequate foreign scientific intelligence, a series of joint meetings have been held by the Joint Research and Development Board and the Central Intelligence Group in order to determine a program whereby the existing intelligence facilities could be strengthened by closer cooperation between the two agencies.
2. As a result of these joint discussions, the Joint Research and Development Board and the Director of Central Intelligence (pursuant to authority contained in Paragraph 2 of N.I.A. Directive No.1) have agreed to adopt the program which is attached hereto as a basis for future cooperation on matters of scientific intelligence nature.
